Places: P.M. Mr Gatchell's Office:

Called on Mrs W. G. White and saw her, Marjiam Arnold & Mr White.

To train in evening for Harriet Alexander who did not arrive.

At dinner: Col. Royce, Mrs Cogan and I, only.

Called to receive Eutaw speech to Mrs Cogan. Moyd Patterson Paul Bolonne + Martha Silvers (Indian) gives most

comforting report from Indian Village

Bessie Henry & Jessie, distressed for their "wickedness & meaness. Want to be Christians but are too wicked, and ashamed." Martha encouraged them to come, & be made whole. Jessie would have gone forward Sunday for baptism but Martha held her to this seat. Samuel says he is so happy since he is a Christian. Wm Conway tells him now some will try to pull him down because he is up & they down, & the higher up he gets the more they will try, but he must just leave such & not argue. Martha told Bessie & Jessie that Jesus wishes the bad to come. Not to mind what people say, but only between them & God. That in Martha's house Sunday ev they had pray, hymns & she read John 14. & she was so happy she felt like going all over the village preaching. Reck many letters. Write Sister, Arthur, Maise & babe, Tom & Chrystal as gifts. Long letter. Rained last night. Very light morning.

sium & putting in stove for a social
room for the boys, & where they could study
Bible together & pass evenings.
Elmer proposed the "boys bank" up with
earth around gymnasium and plant
flowers! Good.
